## Internship

**Web Development** **Aug 2024 - Dec 2024**
*Dataone TechnoSoft*

- Developed and deployed responsive web applications using modern frontend and backend technologies.
- Implemented real-world features and optimized performance to enhance user experience.
- Collaborated on live projects, improving debugging and problem-solving skills.
- Integrated REST APIs and delivered high-quality work, achieving an A+ grade.

## Projects

**Gymora –** Gym management System **Feb 2026 – Present**

- Developing a full-stack Gym Management SaaS platform using Java (Spring Boot), React, and MySQL.
- Implementing secure multi-role authentication (Admin, Trainer, Member) using Spring Security and JWT.
- Building a gym marketplace and membership system with payment integration and REST APIs.
- Designing trainer-based diet and workout management with analytics dashboards for user progress tracking..
- Github Repository Link: https://github.com/Suraj-62/Gym-management-system

**Lakshya** -Full Stack Interview Preparation Platform **Jan 2026 – Mar 2026**

- Engineered a full-stack interview preparation platform using Next.js, Node.js, Express.js, and MongoDB with a modular and scalable architecture
- Implemented secure authentication and authorization using JWT, ensuring protected user sessions and role-based access control.
- Developed an admin dashboard to manage categories and questions with complete CRUD functionality.
- Designed and integrated a mock exam system with timer, question navigation, and performance tracking through RESTful APIs.
- Github Repository Link: https://github.com/Suraj-62/Lakshya-Placement-portal

## Certificate

**Foundation of AI and Machine learning** **Feb 2026**
*Coursera — Certificate Link*

## Achievements

**Two Patents accepted** **Mar 2026**

- An Intelligent and Smart Automation Bag with Biometric Security Integrations and Digital Document Retrieval
- A Fabric-Integrated Micro-Capillary Haptic Interface

**Gear-up season-4** **Oct 2025**

- Won 36 hour hackathon in LPU

## Skills

**Languages :** C++, Java, JavaScript, HTML, CSS , SQL, MySQL,MongoDB

**Technologies/Frameworks**: React JS, Express js, Node JS, Git, GitHub

**Soft Skills**: Problem Solver, Self motivated, Effective communicator, Adaptable & Quick learner

## Education

**Lovely Professional University Punjab** **2025 – Present**
*Master of computer Application — CGPA: 7.6* *Jalandhar, Punjab*

**Nilamber-Pitamber University** **2021 – 2025**
*Bachelor of computer Application — Percentage: 73.92%* *Medininagar, Jharkhand*

**Giriwar Inter College** **2019 – 2021**
*Intermediate – Percentage: 68%* *Medininagar, Jharkhand*

**Rotary School** **2017-2019**
*Matriculation –Percentage: 68.8%* *Daltonganj, Jharkhand*
